Brick Memorial - Honorarium Wall

Put your name in stone and be a part of the Madison Valley Medical Center. Your engraved brick will be part of the brick memorial in the south parking area of the Medical Center. This is an opportunity to contribute while leaving a legacy for your family, friends, and the community.

A person or organization's name, a message, or an inscription of your choosing will be engraved on a brick. All funds raised by the foundation from the brick memorial/honorarium campaign will go directly to the Madison Valley Medical Center. New bricks will be mounted once a year in July.
